Dear Chair DeFazio and Ranking Member Graves:

I am requesting \$4,320,000 in funding for *Westbury Avenue Pavement Rehabilitation* in surface transportation reauthorization legislation.

The project sponsor for this project is Nassau County Department of Public Works and the project is located along Westbury Avenue from Jamaica Boulevard and Carl Road in Carle Place, New York 11514.

The funding is designated for studying the feasibility of widening Westbury Avenue for a stretch of 1,100 feet as well as the feasibility of constructing Americans with Disabilities Act compliant ramps and installing new drainage systems. The funding is also designated for resurfacing and reconstructing the existing road to extend its service life.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits of increasing road capacity and improving motorist and pedestrian safety.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Kathleen M. Rice
Member of Congress (NY-04)
